“ Henry.

I was so sad to hear about Beth. She was always such a happy, positive person. My thought and prayers are with you and your family. All I can think of is that Lee Ann is now with her best buddy.

“ To my mom, I love you so much and I learned so much from you and your smile. Thank you for giving it to me to share that same joy with the world.

“ My dearest Beth. You've been my best friend for so long and I only know that the world is dimmer because you aren't physically here. That said, you live on in so many others who you touched by your joie de vivre. To Henry, Laura, Michael, Rowan and Hayes and to Evan and Laura, I know the hole in your lives is deep but Beth wouldn't want you to grieve too long. She would want you to celebrate her. To Beth's extended family and to her myriad of friends, same goes.

I will love you forever Beth. Rest in peace.
