“ Our family is saddened by the passing of your mom. We'll always remember Betty fondly and feel lucky that we had the pleasure of knowing her as a neighbor when we lived in Baltimore. We knew Betty as having a great sense of humor, an avid gardener and someone who had a great love for nature and her animals.

“ Deepest sympathy to Betty's family; she was a classmate in high school - we shared several classes. Betty always had a smile on her face. May you find comfort in your memories.
