“ *I was so fortunate to know this lovely lady from wonderful Fitzpatrick gatherings, she and I could talk for hours...I will miss this time spent, Betty. What a joy you were to your family! How I longed for a relationship like that. Your daughter, Jody would say you and Mom are just alike because you both have a lot of energy and the same birth month...I think it was our love of life and our Savior. May you find comfort in the embrace of dear ones past before and peace knowing what a wonderful job you did in raising your family.*

Peace to all the family. Karen Rock
