“ John and Julie and your lovely boys....  
I just found out about Esther's passing - via my returned Christmas card. Amazing how long that took.  
She loved you all so and spoke of you all the time.  
She was such a gift to me when I moved to Crozet! What a bright light she was to me - what a lovely friend. She was several decades younger than me in years, but only months in spirit. We had so much fun! We would put on hats and go to lunch like two young girlfriends would. We laughed and cried together, shopping, running errands and just hangin' out together.  
Her and George were welcoming neighbors and we delighted in their stories of their lives and love together.  
We missed them so when we moved away and I only saw her once more after that. I got to Maryland once and surprised her with a visit....she was just coming out of the elevator and there I was! It was a joyous reunion and I plan on seeing her again - what a joyous day that will be too.  
Love and hugs - thank you for sharing her.
