

Mrs. Esther Louise Fedner

December 25, 1949 - July 10, 2020

Esther Louise Fedner, age 70, passed away peacefully July 10, 2020 after a courageous and nearly forty year battle with scleroderma. She was born on December 25, 1949 to John and Louise. She was the best Christmas present to older brother Jerry (Elaine). In September 1974 she married the love of her life, Mark, and had two loving children Jeff (Shawn) and Jenni (Justin). Her favorite role of all was being Mom-Mom to her two grandsons Grayson and Jett. Also, dear sister-in-law of Cathy and the late Lee, dear aunt of Michael and Josh.

She was an amazing cook and despite the pain she had in her hands always made her family's favorites for the holidays.

After her diagnosis of scleroderma she went to school so she could further understand her condition and champion for her treatment. For over twenty years she worked for Johns Hopkins Bayview as a medical technician.

Esther was a longtime resident of Cockeysville and her final request was to be laid to rest at Dulaney Valley Memorial Gardens. As a precaution during these times of COVID-19 the family will be having a small private viewing and burial with a larger celebration of life ceremony at a later date.

In lieu of flowers the family requests donations to be made in her honor to the

Scleroderma Foundation or Pulmonary Hypertension Association.
