“*Mrs. Seaman was a wonderful woman from whom my wife, Jenny, and I bought our first home in 2004. Jenny and Mrs. Seaman are Hopkins alumna, and I think that had a lot to do with her selling the house to us in the first place. I will never forget her hosting a little get together for us to meet the neighbors shortly before we moved in. She kept an immaculate home and was an avid gardener. I did my best to take good care of the place while we were there, however I am not a green thumb as she was. Rest in Peace dear lady.*
