“ I saw this and want to let you all know what a tremendous impact Fran had on me during our years at NDM. She was a tremendous bright spot in some challenging times and taught me life lessons to get me where I am today. Every time I hear Cub Hill on our Fire Department Radio's, I think of her and how she taught me the geography of Baltimore.

“ My deep condolences to the Wilhide family. I know Fran will be greatly missed. Just meeting her in passing at Notre Dame of Maryland University or seeing her in the office was always a bright spot in my day. Her beautiful, welcoming smile always lifted my spirits. May she rest in peace!

“ Dear Will, Gary, Debbie, Chris and the rest of the Wilhide family,
We were all so sad to hear of Frannie's passing. We know the last few years have been challenging. But through it all, that smile and joy Fran had for life was with her.

We cannot think of Fran (and Will and times with your family) without smiling and knowing that these memories will always be in our hearts. Fran literally changed our lives (introducing Bernie and me) and our time spent together - in laughter, tears, fun times and challenging ones at Notre Dame will always be part of who we are!

Our prayers go out to all of you and you remain in our thoughts and heart during this difficult time.

Love, Sharon, Bernie and Katie Bogdan
