“ *From my first days in Baltimore Frank was a focal point for me and hundreds of local musicians. What a great job he did.*

“ *I missed Frank from the last time I saw him, and that's been years. He raised a band of musical brothers and sisters after another band collapsed, and kept it going as our musical director and conscience. Frank was a kind and gentle man with a great sense of humor and he was loaded with talent to boot. Rock on, Frank!*
