

Francis T. Daly

June 1, 1929 - June 4, 2009

On June 4, 2009 at the age of 80, Francis "Foss" Thomas Daly, M.D. (formerly of County Offaly, Ireland and Towson, MD) of Punta Gorda, FL and Marshfield, WI died peacefully at his daughter's home. He was preceded in death by his parents "Francis and Mary (nee Keena) Daly, and his beloved wife, Geraldine Leonore Daly. He is survived by his siblings, Dr. Brendan Daly of San Diego, CA, Dr. Margaret Daly-Murphy of Los Angeles, CA, and Dr. Noel P. Daly of Dublin, Ireland. He was devoted father to Dr. Francis Thomas Daly, Jr. of York, PA, Brian Patrick Daly of Olney, M.D., and Dr. Linda Marie Daly-O'Neill of Marshfield, WI; and father-in-law to Karen Daly and Dr. Dermot O'Neill. He adored his four grandchildren: Jared Eamonn Daly, Brianna Kathryn Daly, Finn Morgan O'Neill, and Niam Keena O'Neill.

Foss's life started from humble beginnings in County Offaly, Ireland. With the encouragement of his family, especially his sister "Gret", he studied and was accepted to the Royal College of Surgeons, in Ireland. He graduated from medical school in 1953, and then worked in England for a year before traveling to the states. He interned in Delaware before completing his residency in Johns Hopkins' affiliated hospitals in Baltimore, MD. It was there that he met and married his cherished wife, "Geri". Foss and his wife raised their three children in Baltimore. He had a large medical practice there. Foss was a firm believer in education, sitting medical boards in internal medicine, cardiology, and geriatric medicine and renewing his degree before retiring. He encouraged his children and grandchildren to also strive to be their very best. He remained passionate about his homeland of Ireland, and hoped in his lifetime he would see his country without political unrest. He will be sorely missed by his family and friends.
