“ Year ago during an episode of WWW Mr. Rukeyser referred to Mr Cappiello as an "ex-Marine". Mr Cappiello quickly responded "Lou - there are no ex-Marines"! My wife and I enjoyed the show for many years. Requiesce in pace.

“ I deeply admired Frank Cappiello comments on Wall Street Week. I was at the time attending Harvard University.

One day, Frank and Louis Ruckeiser made some substantiated predictions regarding International Trends and the Market.

The following Monday during an Oral Examination I managed to "insert" the rationale of their comments into my presentation.

The famous, hard-nosed Professor was clearly impressed.

Frank and Louis saved the day -- I got an A .

Reading the Obituary today, I was deeply moved.

From the European side of the Atlantic, I extend my most sincere condolences to the Family of such a Great Man.
