“ I am without words for how sorry I am. Please allow me to speak from my heart.

We were childhood friends growing up together and pretty much like brothers and inseparable . Sometimes as we grow older and our lives become more complicated we loose touch. We still have that feeling of friendship and brotherly love even though we grow apart.

Thank you Charles for being a part of my friends life. Your care and devotion I am so thankful for. Please accept my deepest sympathy.

“ I hope that these lyrics will give you a measure of comfort as it did me.

He Will Call

(Job 14:13-15)

*1. Life, like a mist, appears for just a day,
Then disappears tomorrow.*

*All that we are can quickly fade away,
Replaced with tears and sorrow.*

If a man should die, can he live again?

Hear the promise God has made:

(CHORUS)

He will call; The dead will answer.

They shall live at his command.

For he will have a longing

For the work of his own hand.

So have faith, and do not wonder,

For our God can make us stand.

And we shall live forever,

As the work of his own hand.
