Services Private

Gail always was the life of a party; she was very charismatic and always befriended everyone. Always supportive and helped her family whenever they were in need. Loved card games especially, Bridge and was a very good player with an almost photographic memory. Gail also loved drawing fashion designs. Gail grew up in The Bryn, in the valleys in Wales, then moved to London when she was 16 years old. She met her first husband, Hadyn William Bebb and that was the start of her very colorful life as she never stopped traveling all over the world. They lived in countries like Brazil, Nigeria, Beirut, Brussels, Singapore and eventually ended up living in the United States in 1988. She traveled from Florida up to New York in an RV she bought in Florida, then on her own traveled west ending up in Aspen Colorado, where she loved and lived for over ten years. It is here where she met her second husband, Mr. Leroy Merritt. Both Gail and Leroy lived in Baltimore where they

lived together until Leroy passed away in 2010. Gail wanted to find a warmer, more level year-round temperature, so she moved out to California and settling in Carmel and stayed there until her sudden death on July 8th 2021. Gail leaves a brother Willian Terence Fitzpatrick; a son Mark Edward Bebb; daughter Lynda Catherine Charalambides; grandchildren Jessica Bebb, Chantall Bebb, Hadyn Bebb, Sophia Charalambides, Andreas Charalambides; and two great-grandchildren, Lucas Bebb and Hayan Bebb.

In lieu of flowers, contributions in her honor can be made to the Pulmonary Fibrosis Foundation, 230 East Ohio St, Suite 500, Chicago, IL 60611 or visit w www.pulmonaryfibrosis.org

“ Gail was an extraordinary person. She was extremely giving and caring with a huge heart. She adored her husband, Leroy who was the love of her life. They shared many special times enjoying Ravens games, the theatre, dinner with friends, Ocean City and traveling together. She was always the best dressed in the room as she had a natural flair for fashion. She loved her foreign cars and was fearless behind the wheel. She loved her dog McTavish who was her constant companion till the end. I will miss her laugh, her zest for life and warm smile. Rest in eternal peace my friend.. love and miss you.

Gail, I already miss seeing you, coming down the hill to visit, with McTavish in tow. I shall miss your presence, your jokes, you're a confidences and I shall miss the way you used to introduce me to others! I shall miss being your secretary/personal assistant and online shopper. No more Ribena! But the memories will always stay with me. Always. Rest in peace beautiful lady
