“ Nice to share some memories of Gene today. He was just a really good person. Every conversation includes someone saying...He helped me when I first got in this business and didn't know what I was doing....He was always so nice to me and so nice to everyone here....I'll miss him.

“ Just a very nice man who supported his two sons certainly during their high school days. That's where I met him and often spent time talking with him about our kids.. My sympathy to Neil and Sean and the Keenan Family.

“ *Saturday morning golf, Wednesday night twilight or just messing around on the driving range or grabbing a drink in the bar.... Gene was always there with a smile, a warm handshake and a thoughtful and caring hello and inquiry.. His passing leaves a large hole in many people's lives, certainly the largest in his family. But know that many of us at Hillendale are missing him deeply and are mourning along with you at his passing. He was an icon at our club and a great friend to all. Just won't seem the same not seeing him there. Our love, thoughts and prayers are with the Keenan family during this difficult time as we all celebrate Gene's life and his impact on each of us.*
