“ I remember his jacket with the Rush symbol on it. His smile, his family. He had many friends who loved him dearly. I almost forgot the van. Alot of friends have gone before him. From school and the neighborhoodsale he was active in. You are in my heart and prayers. He always was passionate about life and wore his heart on his sleeve. God bless all of you, and may God bless his wife and his children. I hope you feel the embrace of God and family to help you during this painful time.
