

Mr. George Davis Calvert Jr.

June 1, 1936 - June 5, 2023

On June 5, 2023, George Davis Calvert, Jr. beloved husband of Joanne Yundt Calvert, dear father of George D Calvert, 111(Daphne McWilliams), Hannah Calvert Roggenstein (Eddie, Jr), William Norris Calvert, 2nd (Halla Elias) and Zoe Calvert Webb (Ryan), devoted brother of Charles Baltimore Calvert (Kathi). He is also survived by six grandchildren, a nephew and many cousins.

Raised in Baltimore, Davis graduated from Baltimore Polytechnic on North Avenue, continuing on to Washington and Lee University and Johns Hopkins University. A devout Episcopalian, he served at both St. David's and Church of the Redeemer, where he is a communicant. His earliest jobs were with architectural firms as a draftsman, leading him eventually to, The Whiting Turner Contracting Company, where after thirty plus years, he retired as Senior Vice President.

As a direct male descendant of Sir George Calvert, Baron of Baltimore, the founder of Maryland, Davis has served as a past Governor of The Society of The Ark and The Dove, a member of Society of Colonial Wars in the State of Maryland, Sons of the American Revolution, Society of the War of 1812 in the State of Maryland, Descendants of the Signers of the Bush Declaration, and the Jamestowne Society. Even though he was eligible for many more societies through both his Calvert family lineage and his mother's Virginia connections, he only joined those in which he could be active.

Immensely proud of his family, he was also quite proud of the work he did with the Boy Scouts of Troop 35, Church of the Redeemer. He served as Assistant Scoutmaster for many years and Scoutmaster for many more, serving at that time 85 – 100 boys. His direct manner and consistency have left a lasting mark on the young men (and fathers) he counseled.

“ I worked with Dave from 1969 to 1976 (my first & last boss). His construction knowledge was outstanding. Once we agreed that he could yell at me all he wanted to but not to the people working under me, we had a great relationship. The management skills he passed on to me has influenced me to this date.

My condolences to his family

“ Joanne, I enjoyed so much chatting with you and your husband at the Colonial Dames meetings. He was a charming gentleman and knew so much about American colonial history. I am sad to hear of his passing.

“ Dave and I started at Whiting-Turner 1 week apart in June of 1962. Dave reported to Chuck Fisk and I reported to Bob Haynes. Dave had some previous experience as an architectural draftsman and immediately utilized his talent and understanding of the building industry for the benefit of the Ralph Pass Division

.
Dave trained many young Whiting-Turner project engineers most of whom promptly became project managers, and some became senior level corporate officers. Dave's knowledge, skill and experience of the construction industry was unique and outstanding. For many of those rookies it was an education of a lifetime.

Dave contributed much to the growth of Whiting-Turner in the 60's and 70's, especially in the industrial sector.

Mr heartfelt condolences go out to his lovely family and numerous friends,
