“ *My thoughts and prayers are with you and your lovely family, David Sr., during this most difficult time. Whenever I would ask how your dad was doing, you always stopped whatever you were working on and gave me updates. I know how much love and attention you and Ann gave to your dad over the years. Both of you are loving and caring people and amazing role models to your sons and their families. I will continue to lift you and yours in my prayers. God's blessings and peace,*

“ *So very sorry to hear of Mr. Bill's passing. We were neighbors of Miss Addy and Mr. Bill's for almost 20 years. My wife who I also lost and I wished we had never moved away from the best neighbors we ever had along with the Clark's on the other side of us. I spent a lot of time with both Mr & Mrs Child's in their basement watching Orioles games and Mittens their cat. I will pray for him and David's family who has certainly made a positive presence in our community.*
