“ *George Wetzel family*

*My sympathies to Kathy and to the Wetzel family.  
How sad to get this news. George was a dear acquaintance and the best friend I had in the military. We were roommates in Vietnam in 1968 and George was my mentor in teaching me the computer systems. George was the most respected person in the company. Everyone looked up to him. He was always cool under pressure, helped defuse tensions, always optimistic, and everyone liked to be around George. You should be very proud of your husband, Dad and Grandfather. He was first class in every way.  
We got a chance to meet in 2010 when he had some work in Michigan. We stayed in touch with e-mail a few times a year. He loved his wife and family and we shared stories and photos about our lives, kids and grandchildren.  
It's too early to say goodbye to George, but God wanted him home for some reason. I know this is a hard time for all, but remember the good times you all had with George.  
I will miss him as well. It was a privilege for me to call him a friend.*

*God bless the Wetzel family during this time.
