“ My condolences to Dee, Jodi and Meghan, their children and the entire family.

*I was just thinking about George and Dee, the day Jodi informed me of George's passing. While cutting my grass, Thursday, I was stung by several yellow jackets, which reminded me of the summer I worked for George and Dee, in the early 80's at their farmette. While helping George cut the grass behind the barn, I was stung by a swarm of yellow jackets. Having rushed to the house, Dee promptly had me strip to my skivvies and jump into the shower. I believe, all the while, George continued to cut the grass. Another musing happened when he and I were putting up the new horse fence and we were holding either end of a 12' 2 x 8 and I inadvertently pushed back while walking and heard George exclaim, "Well, I'm glad I'm not looking to have any more kids" as he bent over in pain.*

*God our Father,  
Your power brings us to birth,  
Your providence guides our lives,  
and by Your command we return to dust.*

*Lord, those who die still live in Your presence,  
their lives change but do not end.  
I pray in hope for my family,  
relatives and friends,  
and for all the dead known to You alone.*

*In company with Christ,  
Who died and now lives,  
may they rejoice in Your kingdom,  
where all our tears are wiped away.  
Unite us together again in one family,  
to sing Your praise forever and ever.*
