“ She was the kindest,most understanding and compassionate lady I ever knew.she was like a mother to me in the 10 years I knew her and I a daughter to her.we helped each other through life's trials and had an exceptionally close relationship.i will never forget her jokes,her laughter and her very own brand of advice not found anywhere.i can't believe you're gone.i will cherish our memories together and never delete any of your voicemails just so I can hear your voice when I feel sad because I miss you.you were truly a person who made my life better in every way.i love you,I will see you on the other side someday.
