“ George, George,

I know i am a little late in sharing a memory(s) of you but as they say a little late than never. Jut wants to share with others what a nice and caring person you were and one heck of a 2nd baseman on our B&O-C&O soft ball team. You deserved ever break in life because you came from good stock and you worked hard at night school at Hopkins to earn your way up the ladder so to speak. I always admired your kind and gentle spirit and your choice in a kind and gentled spirted woman like Rose. I hope the Lord Jesus Christ took in consideration of you heart so that i will be able to fellowship with you up in glory.

Until we share again, Blessings to you and all of those loved ones you left behind
