I am so sorry to hear of Trudy's passing. My heart goes out to you all as well as my deepest condolences.

Every time I had the pleasure to see her, she always made me laugh and smile. I know this time is very hard for you all... please let me know if there is anything I can ever do to help or relieve any stress or pressure.

With Love, Michael (Khandelwal)

“ Dear Karen and Patti,

I am truly sorry to hear about Trudy's passing. I meet Trudy in 1948 when I moved from Philadelphia to Baltimore. We went to Junior High and Eastern High School together. We lived close to each other. We have known each other for 70 years. Our birthdays were 3 days apart, but I always teased her because she was a year older. I am so glad I was able to talk to her a few weeks ago. She still had her sense of humor. She said "my hawks" are over me. (meaning her caring and lovely daughters) She will be missed this summer at our luncheon, but we will have an empty chair in memory of her. God Bless you all and your family. Love, Jane (Garry) Cook
