GS

“ My mom was Aunt Marg, the youngest of the Lambdin kids. Gloria was glamorous of course. As a young girl in the 1950's she was an icon to me. When my Mom passed Gloria came to me and shared that she somewhat thought about my Mom the same way. She was a young teen and loved sitting with Mom and talking and dreaming of her pending wedding. It gave me a glimpse into a time I never thought of a bout my parents. Sleep well cousin.

MH

“ Gloria was my cousin. I remember how beautiful and glamorous yet gracious she was. Spent the July 4 celebrations of my youth at first Uncle John's (her dad's) then after he passed at her mother in law's on Rock Creek. She and her family often visited us on Christmas Eve. I know she missed Jack terribly. I am glad they are reunited. My condolences to John and his family. Maureen (Wood) Howard- Aunt Marg's daughter
