“ *Dear Janet & Lenny,  
I miss Gordon here in the Physics Department of JHU. When I came here as a young Assistant Professor in experimental particle physics he was a wonderful mentor and colleague. I especially remember first meeting Lenny at the 1976 JHU Spring Fair, where he was a little boy and my Katrina was just an infant. Lenny was a delight! Gordon always had a bright smile, a cheerful disposition and penetrating intellect.*

*I wish you and your family the best through these difficult times!!!*

*Best regards,  
Bruce Barnett*
