“ Uncle Gordie, you were an amazing role model for me growing up 🥰 I always looked up to you as a Father Figure. I admired your Bravery for being a Firefighter 🧑‍🚒 You were always there when I needed someone to talk too. You were always so kind and caring. You and Aunt Cathy didn't even hesitate to take care of my Newborn son when I was in a dark place in my life. You Guys loved and took such great care of him while I was getting my life together ❤️ I could never repay you guys back for taking on such a huge responsibility. I have so many fun memories with you guys as kids. I remember we used to go crabbing out on the boats. Pulling in those lines and having so many Crabs to Steam. You will always be the King Of Crabs 🦀😍 I remember you taking us all to the School Board Hill To Sleigh Ride as kids. Me and Shawn Had So Much Fun With Our Favorite Family Growing up. Even during our hard times you guys made it Great, one year a couple days before Christmas we were evicted and my mom was going through a hard time with her husband. You guys went out last minute and bought us a bunch of presents 🎁 so that we could have a good Christmas 💕 I truly appreciate you guys loving us so Unconditionally 💕 I Will forever cherish all the memories we've had as a family and how you always cheered me on. I love and miss you so much Uncle Gordie ❤️ RIP Uncle Gord 🙏

“Gordy, I know you lived in a home full of sisters but you always had a brother in me. I left Baltimore as a teenager but we always stayed in touch. I miss those days growing up together and whenever I returned to Baltimore Gordy and his family treated me like royalty. We didn't get together nearly as often as we should have. I regret that. I am truly going to miss our long conversations. I love you Gord. You left us way too early. Rest in peace.
