“ Mary sorry to hear about the death of Greg.He was a presence in my life back in the 60s, since we grew to be best of friends. He and I shared many a doubius night back in Govans, partying and joyriding in my 56 Buick.We shared many a day playing sports at Dewees park. He will always hold a place in my heart, as he was an integral part of who I am today.The last time I saw Greg was about 20 yrs ago, as I picked him up hitching a ride at Harford and Belvedere rds.
