“ Terry have been a great inspiration to me. I remembered him when I was working at Camden Yard. I, sometime, see him at the cafe at lunch time. We have a great conversation and he is easy to talk to. I'm going to miss him . Sure going miss making him coffee on Wednesday.

“ I first met Terry and Sandy when I joined their faith community about 10 years ago. The first thing I noticed about Terry was what a sharp dresser he was; he always looked dapper. I enjoyed our many conversations about our mutual interest in searching our ancestries. I will always remember Terry's comments to me after I spoke at our church in July 2013.

“ I will remember Terry as a scholar and gentleman. I recall a conversation when I was trying to weed my professional library after I retired. He was sympathetic and commented that he didn't know if he'd ever be able to give up any of his books. They were like old friends. Frances Schoonmaker
