“ I am saddened today to learn of Helen's passing. But I truly know that her light will shine on and stay with us all in many different ways. She was not only a client but a true friend and passionate garden enthusiast. We shared so many interests, laughs and talks I will never forget her kind and generous personality. Ashley and John my thoughts are with you and your families. My mom passed recently as well I know they are at peace now. Stay strong

“ Sending my deepest condolences to all. Just found out Helen passed. I have many fond memories, from playing with Helen Louise, Danny, Nancy Lee, and their dog, Laddie, when I was a toddler, to learning how to swim at the Brook's pool, to babysitting Colin and Ashley when they were youngsters...Colin was my ring bearer in my wedding....Helen was like a big sister off and on, and was definitely a 2nd daughter to my mother, Toni....may she rest in peace....bless you all and cherish the memories....🙏❤️🙏...Debbie Thomson
