“ *I have a little memory that I'd like to share... YiaYia was such a welcoming, amazing woman. I slept over her a house a chunk of times with Caitlin when we were young, but one time in particular has always stuck with me to this day. I couldn't sleep one night. I was tossing and turning and eventually went down to the kitchen, so I wouldn't keep Caitlin up. I was just hanging out, doodling on a piece of paper, when YiaYia came in. It's like she had a sixth sense that I was up. I told her I couldn't sleep and she made me some warm milk. This was new to me. It was instantly relaxing/comforting. We chatted until my eyes got heavy and I went off to bed. I still have warm milk at night if I can't sleep and I always think back to this moment.*

She was so wonderful. She will be greatly missed.

“ Dear Denny, Tommy and Family,
I always looked forward to you Mom's visit to Parkersburg, WV. She was a steady influence to me and always very supportive with my struggles in life. She helped me keep things in perspective. Mr. X. introduced me to Ouzo. I have not touched it since a wedding long ago .LOL I still have an unopened bottle sent to me for my wedding. I will miss her visits which stopped a few years ago. A wonderful person inside and out. Hope all is well with your families.

“ *Dear Denny, Tommy, and Family
Your Mom was one special lady. She made the room light up with her smile and energy. My fond memories were during the Goya years at church. What dedication she had in all that she did. She will certainly be missed by so many and will always hold a special place in my heart.

“ To the Family,

I remember the first time I met Helen when Deny and I were in Mortuary School together, and from that point on, she was another mother to me. Oh, the fun times we had. Words cannot express my feelings for this wonderful woman, and a spitfire to boot. You will be missed, dear lady. But, the world the way it is, you are whole again and in a much better place. You will be missed, but please keep us in your prayers up there, as we an use as many as we can get. This is Kevin, Deny's friend. (LOL)

“ Dear Tommy and Denny, I

My deepest sympathy to you and your families. A beautiful soul had fallen asleep to the Lord and although very sad, I have no doubt that she has been reunited with Mr. X and both are smiling down on all of us. I was very blessed to have been in Jr. GOYA during the Mr and Mrs X era. I have so many wonderful memories of that time. I will always be grateful to them for graciously taking on the responsibilities of being our advisors.

May their memory be eternal!

*Sincerely,

“ Denny, Tommy and Family,

Your mom was a very special lady. I also worked at Hutzler's Ladies Hosiery Department part-time with your mom and got to spend time with her there and I adored her and she was my mentor and knew her stock. I was always so happy to see her at church or wherever we would meet.

May her memory be eternal!

“ Mrs. X...so small in stature but what a large influence she was to us all. She will always be fondly remembered by many for her dedication during our GOYA years, a wonderful advisor and possibly our loudest cheerleader, during basketball tournaments, for the infamous "Big Orange Machine"! Denny, Tommy and families, I am so sorry for your loss. May her memory be eternal.

“ Mrs. X was an incredible influence on my life. She and Mr. X were so involved with the youth at the Annunciation Cathedral, giving their time, their attention and their love to all of us. She is the Mighty Short One! I will always carry her in my heart with much gratitude for all that she did for me and the love she always showed to me. My life was enhanced by her soul.

“ Tommy, Denny and Family: What a blessing Helen was to every heart she touched! She will long be remembered for her delicious pound cakes and of course, her pumpkin bread. She was the joy and heart of Yorktowne Drive, not to mention, the Matriarch. She has been missed dearly by us since she left Yorktowne. Block parties, Halloween, Christmas and so many other memories - Helen was there for all and enjoyed each and every one. She even broke her Greek traditions and heritage to be "Irish" each year for our annual St. Patrick's Party. She was Yia Yia to our grandchildren and every child on the circle. Always had cookies or candy treats and that beautiful smile. She loved her home and she was blessed to be able to stay there for as long as she did.

Tom and Denny - you two were such devoted sons, each using your strengths and talents to make sure she was well taken care of. She is now with your Dad, sharing a cocktail and smiling down on you and your families. What a great job we did. She will continue her love for you from her eternal home. She will always be in our hearts. We loved her dearly.

Love,
Sharon and Rob

“ I am so very sorry to hear of Miss Helen's passing. I remember her as a lovely lady who was also my Sunday school teacher. Just a couple of years ago, she told me that she still had a necklace and I gave her as a gift when I was a little girl. It made me so happy that she had kept it for more than 80 years.

My deep sympathy goes out to you Dennis, Tommy, Claire and your families. May her memory be eternal. Sending lots of prayers and hugs.

I need to amend this... She kept it from more than 55 years, not 80.

*Tommy, Denny and Family,
We were saddened to hear about Miss Helen. She was a fixture in the neighborhood and have missed her since she left. I still "see" her walking around the circle- always ready with a smile and a friendly chat. Glad she is at peace and with Mr. George.*
