“ It is with sadness that I learned of the passing of Henry in the Carroll Co. Times. While we did not know each other as adults, we played together often as children when he would visit his Grandparents. I was the next door neighbor of the Lingenfelders on 32nd St. in Baltimore. I also knew his Mother and Father very well. While a student at The Baltimore College Of Commerce I worked with Griffith for several years at Shilling and Lingenfelder.

*I have very fond memories of them all.*

*Sincerely, Robert ( Bobby) Roys*

“ *My Uncle Hank always made me feel loved and special. Each time we would get together he would say "Hello Scarlett" knowing how much I loved the character from Gone with the Wind. Every time he would say that I felt so loved by him. I will miss him very much.*

*To all the family and friends who will miss my Uncle Hank as I do my thoughts and prayers are with all of you. He was a special character who will be missed.*
