LANCASTER, HENRY CARRINGTON, JR.

On January 11, 2013, HENRY CARRINGTON LANCASTER, JR., MBA, 89, of Roland Park, Baltimore, MD. He and his beloved wife, artist Martha Roe Lancaster, truly had a "marriage made in heaven" -- for 60 years this Jan. 17. She adored him and he her. In their '80s, they were still as if two twenty-somethings, laughing and newly in love. He is survived by: His very close devoted daughter, Alden Lancaster, his loving son, Henry Carrington Lancaster, III (Cary), and 5 grandchildren: Ryan and John Stellmann of Baltimore, and Henry Carrington IV, Max and Thomas Lancaster of Charlottesville, VA. His daughter (the late) Dabney Stellmann also passed away on Jan. 11, in 2010. His extended loving family also includes a brother-and-sister-in-law, five nieces, one nephew, a daughter-in-law, a son-in-law, a step-grand-daughter, and countless cousins!

Retired innovative Corporate Vice-President of several initiatives and divisions of Environmental Elements Corporation, and, prior, Koppers Company. Passionate private pilot, and Second Lieutenant in WWII Army Air Corps' Air Transport Command flying Generals etc. cross-Atlantic and within-Europe and North Africa. If not for his air transport acumen, the papers to end WWII in Italy would not have gotten through.

As he flew the "Unitas We Stand" banner overhead, near the end of Johnny Unitas' last game -- to standing cheers throughout -- Unitas' was finally put into the game, and threw the final touchdown pass!!
