“ Our hearts are broken with the news of Howie” passing He played a very important role in our lives at a crucial time...He was always so fun and strong...but in our situation he stepped in and cared for us almost daily...talking to doctors seeing that we ate ..looking in on Fra. Even when we were not aware of his visits... Please know Megan how grateful we all are for the kindness both you and Howie showed us so many times...You and Howie and all your family are in our prayers...God Bless.. Love Susie Owen Fra and all the Gavigan Family
