“ I know you do not know me, but I was sorry to hear of your husband passing. There is no doubt in my mind that your husband is in heaven. I am sure your children miss their father and you miss your husband.

“ Chip and I meta couple years ago as I fueled his chopper. We became friends and discovered we were both from Maryland. Our friendship grew over the following months and we chatted often about home and seafood. Chip was an amazing gentleman. I would jump at the opportunity to fuel and have the chance to chat with him. You will definitely be missed. Rest easy my friend, prayers to your family. Matt
