“ I recently found out about Kemp. No wonder he hasn't called me. We were best friends for countless years. We talked about everything. He also helped me with my Condo when I needed something, everything, anything. I miss him and feel like I have betrayed him because I wasn't at the funeral. I didn't know. I wish Claudia or many of my friends had thought to call me and let me know! Kemp, I didn't know and I believe that you understand why I wasn't there for you. My apologies my friend. We were always here for each other. It's on my mind everyday that you are not here. I still can't believe it! I guess you're with me, which is why I'm always thinking about you. One always has their best friend in their heart. I love you. I wish you were here.
