“ *Ms. Jackie was beautiful - on the inside and outside. She was so vibrant - her mind was razor sharp. She loved her crosswords and her jumbles. I learned to drink manhattans on our lunches out to her favorite restaurant, The Peppermill. She was one of the best dressed women I know. She loved hosting her Wednesday night dinners at Blakehurst with her friends. She was so excited about the lifting of the covid restrictions and being able to get out and back to life.*
