“ We are most saddened. Jimmy and I graduated in 1975 together, from Loyola High. Jim was always a classy guy, with exceptional stick work towards an opponents goal. He will be remembered.

“ Betty, Nick and I share our warmest regards to his loved ones. Jim will always be remembered for having a welcoming smile. Wow what a sportman, he was always in the know about sports. I stepped on the ice with him playing hockey for the first time in one of his camps. He will be in our hearts forever. May he rest easy.

“ Ana, Maximo and I send our thoughts, prayers and love. Our heart goes out to your family in this time of grief. Jim was such a fanatic about local sports and life. We will always remember office gating before the Ravens games with him.

“ Our thoughts and prayers are with you and your family. I had not seen Jimmy in a very long time. We had many great times when I lived in Baltimore. The Rotary Bull roast was one of many good times / events we shared. We use to hang out at the Tavern or OPs on York Road. A lot of good times and memories

“ *Memories heal when our friends are no longer with us. Always welcoming to his friends at home and at his Federal Hills Pad. Proud of his Christmas train display. He made sure you saw his collection.*
Passionate scuba diver who loved the hidden dives of Puerto Rico. The best host for the Raven's burgers and cigars tail gate at his office in Federal Hills.
May the best memories of his life bring healing and peace to the family. With love,
