“ *Burke Family: I had the pleasure of working with Jim as his IBM Systems Engineer manager from 1988 -1993. Jim always responded to challenges and tasks in a professional manner. I may have been Jim's last manager but what I remember for sure was celebrating a milestone IBM anniversary (40 years?) where I shared my experience working with Jim. I am saddened to know of his passing but I am glad my path crossed his during his stellar career at IBM. May he rest in peace and may you make peace with God's decision to take him now.*
