“ I have known Jim Moskos since I was a young girl. He and his lovely family lived a block away from us.

*JIM, some people come into our lives for awhile, but some stay in your heart forever...like YOU. You were a bright star to many people who were fortunate to know you.*

*The Lord sent you to us with HIS beautiful Blessing of Friendship and Love.*

*May your Angel always be by your side.*

*LOVE, Lucille and Bill*

*Dear Dorie, You were Blessed to have such a wonderful man as your Husband. We send*

*our love and prayers to you and your family.*

*LOVE, Lucille and Bill*

“ I received the sad news that Coach Moskos has passed away. I played for him at the Dundalk YMCA in 1960. Along with my teammates, who have already sent a message, I was lucky to play Quarterback for him that year. He brought a lot of knowledge from his own playing career, and he not only made us better players, but put us on the path to being better citizens. When I look back on that team, so many of us have gone on to have very good lives, families, and careers due to the motivation he instilled in us. It was a pleasure to play for him and the coaching staff he assembled.

*I want to offer my condolences to the Moskos Family, and Thanks Coach for your friendship and leadership.*

“ I too was lucky enough to be a member (Left Halfback and Safety) of the Dundalk YMCA football team coached by you. You were a big influence to a young man and I have remembered those times and your friendship and leadership many times in my life with great fondness. A few years later I joined the Marine Corps and your lessons helped me get through Marine Corps Boot Camp and shaped me to complete my USMC career retiring as a Major of Marines. Rest Coach - game well played!!!

“ Rest in peace Jim.....I found out about your passing on 3/10/2022.....I learned plenty from you playing football for you as a boy at St. Rita's CYO and later as a teenager at the Dundalk YMCA where you coached us to an undefeated season in 1961.....I can say you were very instrumental in making me the man I am today teaching much more than football.....it helped pull me through the up and downs of my life.....It was a blessing to know you.....Condolences to the Moskos Family.
