“ For Jeanne, Jake and Molly. I am so sorry to find this sad news just now as I was googling for Dr. Owings. Last time I saw Dr. Owings and family was at a dinner they invited Chris and me to many years ago. After that somehow we lost touch but you all have been in my thoughts always. Time just passes and before we know it, it is too late. I met Dr. Owings at the University of Maryland. He was friends with Dr. Lopez-Escobar - and we became good friends. Then I came to know Jeanne. And then came Jake and Molly. They were quite young last time when I saw them.

*I will always remember the big smile Dr. Owings always had and I remember when you came to visit us in our Adelphi home; few dinners we had at your home in Chevys. You knew me as "Shalini Bansal" because I liked to be called "Shalini".*

*I had thought of you often and wanted to get in touch with you again. I would so love to see you one more time. I too remember the Math puzzles Dr. Owings used to share.*

*I am just so saddened and send you and your family a big hug. Wish there was a way to get back in touch with you again. I have missed your friendship. I will forever miss Dr. Owings.*

*Love - Shalini and Chris*

“ *Phil and I wish to send our deepest sympathy to the Owings family. Jim, Jeanne, Jake and Molly were our neighbors for years. After hearing the eulogy I feel fortunate that Jim did not try me with one of his math puzzles! We did enjoyed discussing trees and peonies! We enjoyed Jim's good humor. We will miss you Jim.*
