“ Dear Glenn, Mike & Katie, Ruthie & Brian and family,

Very sorry to learn of Jane’s passing. Glenn and I had just talked about a month ago regarding coordinating a time for me to visit her sometime this summer. I know the past few years have been hard as her health declined. Your mom holds a special place in my heart as she was always very kind to me, particularly during a difficult time in my own life and you know to this day that anytime I have a pork chop dinner I immediately think of Jane’s great skills in the kitchen and including me quite a number of times to dinner at 111; hard to realize that was 45 years now. Bless her and may she now be reunited with your dad, Vince and all whom she loved.

My Sincere Condolences Kelt

“ Love you Aunt Jane and wish I could have spoken to you one last time. I will never forget Steve, Scott, and I coming to pick you up to see Nanny Singleton and the hysterical remark you made after getting in the car. Too non PC to include the exact words on a public site but it always makes me chuckle. Enjoy being reunited with so many of your loved ones. ❤️
