“ Jane was a Dear friend. I looked forward to my visits. We talked about anything and everything. Time always seemed to get away from us! I would bring her breakfast, lunch and dinners so she didn't have to cook as much. She loved my cooking, especially my pasta! She said I spoiled her which she so much deserved! It isn't everyday in life that you cross paths with someone that you become close to but if you get that chance, embrace it! Lady Jane you are much loved and truly will be missed! I'll be sure to tell your Baby Elephants you said Hi! I know how much you loved them! Till we meet again! 💋❤️😘
