To all of Jeans family; Jack and I were lucky to have met her and shared cocktails at the lake. She was a lovely woman who not only made us feel at home but shared all of you with us. Our sincere condolences

I enjoyed my time spent with Jean every week for the last year. I feel honored to have been one of her caregivers. I am sorry for everyone who knows and loves Jean. Truly a loss for us all but a gain in heaven. I look forward to celebrating her life with all of you on Wednesday.
