“ in 2000 Jeanette and David hosted me as a newly called associate pastor to Ascension Lutheran Church so I could attend Synod Assembly the summer before starting the call and me moving into the parsonage. From the call committee to various projects, Jeanette and Dave were always gracious and supportive of the church and volunteers. Jeanette was grounded, resilient, and had a great sense of humor. She gave me a clergy stole that will always make me think of her. They have been united in every way with our Savior. Peace and prayers for their beloved family in faith. --Lisa Arrington

“ Many happy memories alternating Thanksgiving with the Becks. David and Jeanette are together again and I pray they have found my parents and are catching up in Heaven. RIP sweet kind and loving Jeanette.
