“Cleve and I were classmates of Jeanne at Dundalk High and so sorry to hear of her passing.. I remember Jeanne substituting in our Language Department at Norte Dame Prep school. She brought much experience to the school.

Later, she often joined Bobbie, Naomi and I for lunch or our classmate gatherings. She will be missed by many.

My sincere condolences to you and her family.

“*Jeanne Gourlay and I attended the Elementary, Junior High, (now Middle School), and a few years of High School in Dundalk, so we knew each other a long time. She left Dundalk High School in her Junior/Senior year to attend, I believe, Catholic High in Baltimore. We reunited later as she came to our reunions for the Class of 1955. We were delighted to have her join in the reunions, and later when the women of the class began to have lunch together once a month, she joined in, as well. After her husband, Jack, died, she went with me to art class at BYKOTA Senior Center in Towson, to church social functions at Ascension Lutheran Church in Towson, and as we both were living in Timonium, we got together to enjoy dinner at Johnny Dee's Lounge where she and Jack went often for a delicious dinner in a comfortable restaurant setting. I will miss Jeanne's friendship. The family has my deepest sympathy in the loss of their mother and grandmother. Blessings to all of Jeanne's family and friends for comfort and peace.*

Jean was a customer of ours at Johnny Dee's Lounge for many years. Jean and Jack became regulars and even have a plaque on the wall with their name at their favorite table. She will be missed. Our deepest sympathies from John and the rest of the Johnny Dee's family.

I am just learning of my dear friend Jeanne's passing. I was good friends with both Jeanne and Jack. Will miss her friendship greatly. Following Jack's death, Jeanne and I would regularly get together for lunch, usually at Michael's near the MD State Fair Grounds and I would also take Jeanne out to the cemetery to visit Jack's grave. Unfortunately, due to the pandemic, we were unable to continue meeting like we had been. My sincere condolences to her daughter and her family, Jeanne's friends and former students. Jeanne was a great lady and a wonderful conversationalist. I will miss her much!

Mrs. Jeanne Gourlay is the reason I am a French teacher today! She was the most amazing French teacher I could ever imagine, and I only wish I could have half the skill she had in making French class challenging and exciting!! I am so sorry that I did not see this until now. She was hilarious and had all kinds of witicisms in class that all of her students will remember forever! Many condolences to her family. Jeanne was such a great lady!
