“ Jenny will always be remembered as a wonderful friend and neighbor. She took great pride in the upkeep of her property, she loved using her snow-blower and she could ride a tractor like no ones business! Jenny was always wiling to lend a hand. There were many times that I was working in my back office and came out front to find out Jenny had cleaned off my driveway.

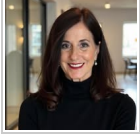

We grew closer throughout the years and she became a beloved Yaya and part of a Wednesday ladies gathering I host. She helped me make and deliver drinks to the gals in the pool on a weekly basis in the summer. We went on bus trips, gathered on a holiday or two and there was never a time that I waited alone at the GBMC surgical center - she was always there to keep me company!

Jenny was kind, caring, feisty and smart. She absolutely loved her family and was very proud of her girls and the partners they chose. Although the diagnosis she received was cruel, it afforded her the opportunity to have a "long goodbye". She was able to take a couple more trips and spend a lot of time with Dawn & Donna. Rest easy dear friend, you touched many lives and you will be missed for a lifetime.

xoxo Kim

“ We only met Jennifer once, a few months ago, when she visited her daughter (and our friend) Dawn. She was lovely, graceful, and a joy to get to know. Her spirit, her character, her generosity and humanity live on each day in both of her beautiful daughters Dawn and Donna! It's so hard to lose your mother, but even harder to witness her decline and suffering. Now she's resting in peace. And she lives on in Dawn, Donna and other loved ones.

*Our condolences,*
