“ Our lives were forever enriched by Susie and Pat. They were family to us and we will always be thankful for their friendship. We had so many great times together. God bless Susie's family and friends, and may we all find peace now that she and Pat are together with their daughter. The gift of friendship is one of God's blessings. We love you our friend, Susie. You will never be forgotten. ❤️❤️🙏🙏

“ *Susie Q was dad's name for Susie. Susie was the playground queen in Jenkintown one summer for the children's summer camp. Susie was the first girl born after mom and dad had 6 boys. Susie will be missed for her sense of humor and her birthday cards that were sent to all the nephews and nieces . Susie's door was always open to family and friends for an overnight . You will be missed Susie for your love for your family.*

This will be the first year, since forever, it seems, that I won't be getting a card from her in April. It always arrived early because she told me she sends them for all in each at the beginning of that month. Smart women!
