I know that your heart and the rest of the family is wounded at the human loss of John in his passing , but be reassured that John is with our Lord Jesus Christ. (2Cor.5:5-8; Luke 23:43). Why am I so sure of this? Well, I have a special link to the Lord and so do you and so do all of us who attended the Christ Renews His Parish (CRHP) retreat back in May 83', who knew that the Holy Spirit was present that day. The prayer we all repeated on that blessed Saturday evening in May was actually a "Born Again (from above) " prayer (John 3:1-6) whereby John dedicated his life to Jesus Christ and received the Spirit of God, The Holy Spirit, the Spirit of Truth, for those who repeated the prayer, not from lip service, but from their "heart" service. (Romans 8:11). I know that John believed from his heart because of the several conversations we had over the years since then. He was always hungry for the Truth and did not discount the truth in the Scriptures. So those of us, who have a personal relationship with Jesus and remain faithful, we, including the believing, obeying and repentant CRHP brothers and sisters, shall all meet in the sweet By and By where ". . . God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. (Rev 21:4) Amen and Hallelujah?

“ *To Jody, Johnny, Tony and Cathy and all the spouses and grandchildren*

What a remarkable life and legacy your husband, father and grandfather left. He was not a man with great material wealth or fame. But he was a man with a great heart- loving his wife and family first and foremost. He had a great sense of humor, and while it's hard to put in words, the sound of his laugh will remain with me forever. He welcomed everyone, and offered a huge shoulder for me to cry on many times in my life. Everyone of you has been touched by his life and wisdom . I know I have. His love is like the ripple of a stone tossed into the lake forming wider and wider circles and influencing everyone he touched. His love will remain with you (and me) and has formed us all into the persons we are today. Remarkably he was able to live and die as he wished.
