“ *Gloria,  
We are so sorry to hear about Jack. He was my closest cousin and dear friend. Although we have not seen him for awhile due to his health problems, you both have been on our minds frequently. We are reminded of his love for my chocolate cake, his knowledge of Baltimore and its history, and our shared interest in family genealogy. It is a shame to lose his contribution into the past with his boxes of photos and memorabilia from the Pierson family. Genealogy is made more difficult and less interesting when you lose someone who can identify people in photos and recall anecdotes about their lives.  
Jack led a full life, which we celebrate, and are thankful that we could share a small part of it.*

“ *Dear Gloria and Dr. Charlton III,  
While I only met Dr. Charlton Jr briefly, even those brief encounters were enough to show me his infectious spirit and his kindness. I know he will be sorely missed.  
My deepest condolences to you and your family.

“ John,

*I'm out of town but read about the passing of your dad. Your family is in my prayers. I cannot help but smile remembering your dad arriving at WC in his light up hat.*

“ *Our deepest sympathies to you, Gloria. We met both you and Jack during our family history trip some years ago at Ann and Glen Erickson's home. Jack's insights and great stories were one of our highlights.*
