“ The world will not be the same without John. I have had the privilege of working with him since 1984. He was a kind, generous carefree spirit with a wonderful sense of humor. So many stories to tell but will give one that always brings a smile to my face. We had a co-worker that liked to scare the dickens out of us. She, at one, time or the other, got us all. Two of us decided to get even. One of our partners at E&W had a motion sensed rat. We put it into an audit bag and left it on the Accounting office Dutch door. We called her and told her it had a timesheet in it so she needed to put that on my desk and bring the bag to the partners office. Tremendous screams. She screamed loud and long. We heard John racing up the hallway and thought, well this is it, we're getting fired. He assessed the situation and peered into the audit bag and asked who did it. The two of us quietly fessed up. He broke out into one of his big grins and said, "about time someone got her!"

*So many wonderful memories he blessed us with. He's racing around in heaven now playing softball and wondering if Guinness is served.*

“ Going downtown on the Number 8 bus with John was always a joyful start to my day at work at Mercy. He was a year ahead of me at TC and the bus ride gave us a chance to reminisce and catch up. He was a pleasure to know and a good friend.
