“ I knew Nat many years ago--the early 90s--at HUD. He was always kind to me.

“ Nat was a good hearted family Man, I would always ask about his family especially the grandkids. I was deeply saddened when I heard he passed away. Nat was one of my favorite co-workers, you could always get a good laugh around him. I'm going to miss him so much.

“ Nat Clark was a cool cat who will be dearly missed by all who had the pleasure of making his acquaintance. Eye wish him a peaceful journey and am blessed to have known him as a fun, kind, and warm hearted person who is indelibly etched into the many good memories that will always live in my mind. My prayers are with the Clark family and my hope is that the truth in these few words may help in your healing. It is certainly my intention. May GOD bless you all. ONE LOVE.

“ Sail on Skipper. To the Clark family -- I only knew Nat for a short moment in time when he became my coworker. Very nice; very helpful. No one he did not help. He even let me use his desk while on vacation when I had no where to sit - Yeah:-). We will miss him. Godspeed.
