“ It was with great shock and sorrow to hear that we have loss a true friend and co-worker. Joe was part of our AEC/ERDA/DOE family for many years until his retirement. Joe organized the Semi-Annual Retirees luncheons that allowed our working family to remain intouch. He had such a zest for life and lived his to the fullest. He shared many of his adventures with us. My thoughts and prayers are with Joe's family and friends during this very difficult time. He will be sorely missed by all that he touched. RIP my friend.

“ I've known Joe since 1983 as a co-worker at the Dept. of Energy. I was shocked and saddened by the news of his passing. Thoughts and prayers go out to his family at this difficult time. One thing seemed for sure and that is Joe fully enjoyed his retirement years including his many trips within the U.S. and abroad. We can smile knowing he lived his life to the fullest. He will be missed by the retirees for sure but with fond memories. RIP.
